I have reviewed the system. You had received a step on 5/5/11 and then you were off payroll for 70 days [REDACTED] This 70 days was beyond the first 8 weeks of your leave which is protected from having your date changed. Therefore your date was delayed by 70 days so you will get your next step on 7/14/2012. Please let me know if you have any questions and again I apologize that Sue did not respond to your initial request.

Kate,

I talked to Sue on Friday and asked her to follow up on this issue. I will confirm today that this has been resolved. I apologize that this has taken so long.

Hi Carol,

I know that you no longer work in the state lab building but I was hoping you would be able to help me out. I am just trying to figure out when my new date is for my step raise and nobody seems to have any answers and is not getting back to me. This has been going on since June 5 (please refer to below emails). I am getting very frustrated and do not understand why it is taking so long for this information. The drug lab is being transferred to the state police at the end of this month and I want this resolved before then. Do you know who Suzana Hebert's supervisor is? Maybe they would be able to give me the answer to this apparently very "difficult" question!

Thanks,

Good Morning Kate,

Suzana is doing the payroll for the all lab employee and will need to be the one to answer this question.

Thanks Karen

I have still not received a response regarding when I will be getting my step raise. I want to have this resolved before we are transferred to the state police (which happens at the end of this month!!). I would appreciate if you could look into this and get back to me quickly.

Thanks,  
Kate

Sue,

I sent you some information on this yesterday. Can you please review and respond to Kate today. Thanks  
Karen

Hi Karen,

I have not gotten any response from either Cecilia or Sue on when I will receive my step raise. I have sent you the email chain so you can understand what I was asking. If you could get back to me it would be extremely helpful.

Thanks,

Hi Sue,

Cecilia Marinucci suggested I contact you about a payroll question I have. [REDACTED] from March 2011 returning in Sept 2011 (not on the payroll). I know that the date of my step raise changes because I was not on the payroll. I had asked Cecilia (in the email below) when my new step date would be and she originally had said this past May 5. I did not receive a step then so I had asked her why and she referred me to you. I was trying to figure out the new date but I'm confused because my start date was Sept 2005, but I received an upgrade in March 2008 (which was then the new date of my step), I was [REDACTED] the date changed) and then again March 2011. If you could please let me know what the new date is that would be extremely helpful!!

Thanks,

Yes payroll changed your step date to reflect the time you were off payroll after [REDACTED]. This was done in April you did receive your step last year while [REDACTED]. When you asked the question in March the date had not been changed in the system. You can contact the payroll office if you do not agree with this. Sue Hebert is the head of payroll and can be reached @ 617-348-5313. The system is running payroll today so I can not see what the new date is.

Thanks  
Cecilia

Hi Cecilia,

I never received my step that you said I would get on May 5. Do you know why it has yet to appear in my check?

Thanks,

Hi Kate,

Your step will be on May 5. You have 1 times your salary for optional life. The max is 8 times your salary. You can change it anytime attached is the form to do that.

Hi Cecilia,

I have a couple questions that I was hoping you could answer. First can you tell me when I will receive my step raise? I know since I was off the payroll [REDACTED] changed but I can't figure out when I will receive it. Second, I was wondering if I am able to change my life insurance or do I have to wait until the open enrollment period? Could you also tell me what the maximum is for that and how much I currently have for life insurance?

Thanks,
